### **Revisions, Correction and Clarifications**

**Replace: Exhibit A Bid Schedule Part 5 with attached**

### **Questions Asked and Answers Provided:**

**Question #1:** I have been reviewing the RFP for the Underwater Inspection Marine Facilities and Vessel Hull, and in section 3: / 3.3 / Emergency On-Call Service. It reads that the contractor shall provide an hourly rate for emergency on-call services as needed. In section 5: / Cost Proposal, I see where all the other price would go for item described, within section 3. But, I have been unable to locate as to where the emergency on-call hourly pricing would go within section 5? Could you please advise as to the location of where this pricing should go for submitting.

**Answer #1:** See new Part 5 attached.

**Question #2:** Will cleaning the floating docks be part of the contract?

**Answer #2:** No.

**All other terms and conditions remain the same.**
